

ENCOUNTER – PROPHECY

Dec 3/20

As you read Acts 2:14–36, think with me about prophecy. Peter quoted the prophet Joel as he saw the Spirit giving the gospel in many languages. I've been thinking about the following questions:

- How did Peter know this was the fulfillment of Joel's prophecy? Read Joel chapter two for context.
- What about the verses about blood and fire and billows of smoke? What does this tell us about prophecy?
- Pentecost was 'last days.' Are we still in last days? How does that inform how we live?
- All through this passage, Old Testament prophecy and teaching points to Jesus Christ. What does this tell you about the cohesiveness of the bible and the centrality of Jesus?

Some posers to think about as we study the scriptures the Spirit has inspired!

See you tomorrow!
