

FREE TECHNOLOGY TRAINING FOR ADULTS

Learn to use your devices to stay connected and entertained during the pandemic!

During **1:1 sessions** our tutors can teach you how to use your iPad/Tablet/Smartphone to do things like :

- Install and use free or paid apps to watch **movies/TV**, listen to **audiobooks**, or **music**
- **Surf** the net
- video chat with **loved ones**
- Install and use free apps like Facebook to **stay connected** and up to date with family
- Set-up and **personalize** your device
- Set-up **email**
- Play digital **games**
- Order **groceries** safely from home
- And more!
