

ENCOUNTER – SERVICE
DECEMBER 28/20

Today's reading is Acts 13:13–52 – it is a historical account of missionary work through the Roman empire. Your homework today is to find a biblical map and trace the route of these gospel visits (Paphos, Perga, Pisidian, Antioch, Iconium). These were urban centers of the day – we took this photo when we were in Perga in Pamphylia (Turkey today) – one of the best-preserved Roman theatres in the world.

Think of the challenges of presenting the gospel to pagan places. I love verse 36 – each of us, like David, seek to serve God’s purpose in our own generation.

What can you do to serve the generation older than you, younger than you, and people of your own age? A great challenge from Paul’s sermon!
