From the Chairman of the Student Minister Search Team

In December of 2024, the Student Ministry Search Team began to meet to fill the position of Student Minister after David Burgess was called into the role of Minister of Discipleship. As we have met over these many months, the Lord has opened and closed many doors. We have continued to remain faithful and steadfast to the task given to us by the congregation. In recent months, we started a new conversation with a candidate, and God began to weave our hearts together as we met and prayed. In recent weeks we have unanimously agreed to ask Hunter Smith to come to DeSoto Hills in view of a call, and Hunter has graciously accepted.

Hunter, a native of Kentucky, graduated from Campbellsville University, where he earned a degree in Christian Education and played football. He then attended New Orleans Baptist Theological Seminary, earning a Master of Divinity in Christian Education with an emphasis in Student Ministry.

Hunter has over 10 years of experience in student ministry, having served churches in Kentucky, Louisiana, Mississippi, and most recently in Huntsville, Alabama. Hunter and his wife, Sarah, have two young children, Hank and Edith. Sarah grew up in the Mid-South area.

Hunter is a gifted communicator, has a passion for discipling students, and leading students to serve others through missions. We have no doubt Hunter matches the vision that has been cast by our pastor and staff. We look forward to welcoming Hunter and his family next Sunday, April 19th, in both of our morning services. Hunter and Sarah will meet with our students, parents, and student ministry volunteers on Saturday, the 18th from 5-7:00 p.m. They will enjoy fellowship and food, and Hunter will briefly share his heart for the Lord and Student Ministry. On Sunday, Hunter will fill the pulpit for both services, and afterward, the church will be called into a business meeting to vote to affirm Hunter as the next Student Minister of DeSoto Hills.

I would like to thank the Student Ministry Search team for their dedication and perseverance throughout this process, trusting the Lord's leading each step of the way. Also, a word of thanks to David Burgess, who has continued to serve our students during this time. Over the past 18 months in his new role, David has consistently served our students exceptionally well. We are continuing to see growth as students come into a relationship with Christ and are being discipled.

We are excited to see how Hunter comes alongside our staff and continues the great work of raising up disciples among the next generation.

Thank you for your dedicated prayers throughout this process.
