*"The preschool at Life Covenant created a safe place for our children to learn age-appropriate academic and social skills and about the love of Jesus."
RJ and Heather McNeil*

*"Both of my daughters had Miss Doris as a teacher and agree she's the best. We are so fortunate to have her at the Life Covenant Church Preschool. Her love, care, patience and teaching of these young children is awesome."
Pastor Keith Johnson*

"I couldn't recommend the LCC Preschool more heartily. Both our son and daughter had two years at the school, and it began their "formal" schooling on the right foot." Dana Holzer

*"I was a single mother, with a full time job, when my two children, ages 3 and 4, attended Life Covenant Preschool. It was probably the hardest time I have ever had in my life. But having my kids attending a preschool where they were loved and taught new things, where they were learning how to interact with others and make new friendships, was truly a blessing for all of us."
Julie Moore*

"I could not have asked for a more nurturing, kind, loving, and positive environment for my children to first experience school in. Miss Doris is patient and gentle with her students, and she provides lesson plans that are hands-on, fun, and that embody the life of Jesus." Andrea

"It is fascinating to watch the children grow in their interactions with each other: being kind and respectful, following rules, taking turns, being polite, sharing." Prudence Wigen

Our Program. The Life Covenant Church (LCC) Preschool Program is a ministry of our local congregation. Our program is designed to nurture your "whole" child with time and attention being devoted to cognitive development, social and emotional development, and physical development. We are a Christian preschool program and will teach basic Christian principles about God's love and caring for others. It is not our intent to teach a specific doctrine. Our teacher Doris Sparks is an excellent, experienced early childhood educator. Classes will be held in our education facility. LCC is located one block south of Vigilante Stadium.

What type of activities will my child be doing? Our classroom teacher will plan a variety of group activities, small group center times, free play, and directed play which will expose your child to literature, music, art, creative play, science, nature and math. Children will be encouraged to explore, ask questions, and try new experiences.

What age children may attend? Our program will serve children ages 3 and 4 years old (must be age 3 or 4 by Sept 10, 2018).

What is the cost of tuition? The monthly tuition is \$100 for the Tue-Thurs 3-year-old class and \$140 for the M-W-F 4-year-old class. Tuition will be charged for the nine months school is in session, beginning in September. A yearly \$55.00 non-refundable (for 3 yrs.) and a yearly \$60 non-refundable (for 4 yrs.) enrollment and supply fee will hold a place for your child in the program. Parents will also be expected to serve as an in-class helper one day per month and will be required to complete a volunteer training session prior to serving in the classroom.

When will the program begin? The preschool program will begin on Wednesday, September 5, 2018 and run through May 31, 2019. The classroom hours for the Tue-Thurs class are from 8:45-11:15 AM and the M-W-F class from 8:45-11:30 AM. We will follow the Helena School District calendar concerning holidays, winter and spring breaks, and snow days.
