MISSION SPOTLIGHT

UNIFY - Student Ministries

unify

STUDENT MINISTRIES

Unify Student Ministries is the umbrella for our student (6th to 12th) programming at LCC. Right now, we meet on Wednesday nights for our weekly Abide ministry; with worship, teaching, small groups, and fellowship from 6:30PM to 8PM. We're blessed to have a team of dedicated volunteers and passionate students who come together for the work of ministry.

Here are some ways that we covet the prayers of the body right now:

Please pray for our students as they navigate a unique season of off-and-on remote learning; of things not looking like they expected. Please lift up our leaders that we may connect well in the midst of those things. Please cover our planning as we try to navigate what our ministry looks like into 2021, with our overnight events and re-introducing Sunday morning programming.
