

About our move...

The date has been adjusted.

(Because construction is like that.)

We are looking at November 16.

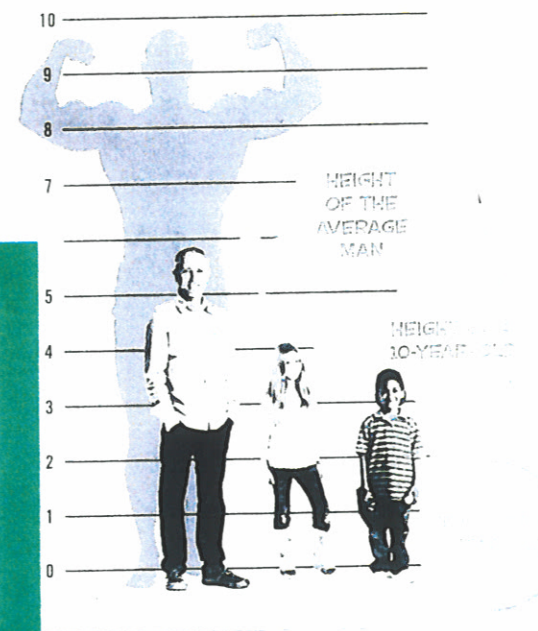

📖 -and in the meantime we will continue to happily meet at the Cornerstone. 😊

Wednesday evening activities begin September 12, 6:30-8:00 for all K-6th graders. We are planning a great year of fun, friends, and faith-building!

There are also activities planned for 7-12th graders and adults!
