

NORTHSIDE
BAPTIST CHURCH

Join our 2026 Summer Internship in Indianapolis

NORTHSIDEINDY.ORG

*Looking
for a
Church
Ministry
Internship?*

Receive hands-on training for vocational ministry in the church. Concentration possibilities include pastoral ministry, worship ministry, youth and family ministry, and/or missions ministry.

We are a mid-sized church in the heart of the Midwest just minutes away from a busy city center, growing suburbs, and sprawling countryside. Serving the community for more than 60 years, the church attracts people from all walks of life. It is an ideal place to learn about ministry.

The position is full-time (40+ hours) and follows the ministry staff's weekly schedule. A total stipend of \$1,500 will be given to each intern, with the addition of a love offering at the end of the summer. Housing and some meals will be provided by hosts from the church.

Interns will shadow church leaders in all aspects of church ministry, including planning, promotion, and execution. They will also be involved in their own ministry activities, with each intern focusing on a special ministry project in their area of concentration. In addition to reading, writing, and reflecting on some of the core aspects of church leadership.
