

Court of Honor

We face challenges everyday of our lives, whether we are young men, or a little older. The success of our life can be measured by how well we rise to those challenges. Did we really try our absolute hardest and use all the skills we possess to finish the challenge? The highest honor a young man can earn in Royal Rangers is the Gold Medal of Achievement. The young men that earn this medal were not happy will just advancing to the next class. They pursued this challenge with diligence. This is a list in of every young man who has earned the Gold Medal of achievement while living in the State of Indiana. Congratulations on your accomplishment and remember to continue to serve with diligence!
