So that we are prepared to meet your campers food needs please be specific about how and what you serve your camper at home. For example:  
If an egg allergy:  
Would you serve them French toast you make yourself using eggs? Do you serve them cake or other things that contain egg.  
If a peanut allergy:  
Can they be near someone else eating peanuts? Do you serve pre-packaged cereal at home and if so what kind? Do you serve food made from frozen dough when the ingredients listed do not include peanuts?  
These are the types of things we would like to know about your camper
