

Dear Christmas Tree Project Elf,

The **2017 Christmas Tree Project** was truly REMARKABLE, we **gave 881 families** a tree THIS YEAR and were featured on CBS national news—and all because of you and your heart felt support.

Don't miss all the **details, stories** and **pictures** in our **2017 Wrap Up Letter** and **Video**.

We are working on a book called "**What a Christmas Tree Means to Me**" and would love your help. Please go to <https://goo.gl/eMg8Pm> and take a few minutes and let us know what a Christmas tree means to you. Please **ask your friends to help us too**, share the link on social media.

Thank you for being a Christmas Tree Project elf,

Elf David, Elf Michelle and Junior Head Elf Rose
