Robotics Engineer & Conservationist**

Sunday, May 6, 2018 – 12 Noon to 2:00 pm

Refreshments

Q&A to follow presentation

Calvary Episcopal Church

20 Milton St. at S. Cayuga Rd

Williamsville

716-633-7800

**What changes do we see in the world's oceans?
Are the reefs in danger? What can a single person do?**

**Join us for stories, photos and observations on climate change
and the health of the world's coral reefs, designing underwater
robotic drones to monitor ocean ecosystems, and working deep
underwater with Fabian Cousteau...**

There is no charge for this event.
