Dear All: The third LEM (name in bold and italics) at 10am Sunday HE is the LEM serving in St. Luke's Chapel for Communion. Jim Porter is on the "injured reserved" list for the next few months, as will be George Mayer. Each of you may find yourselves on-call a little more frequently as we cover for our members who are on leave and those whose spring vacations take them out of town. As always, please call someone to substitute for you if you are unable to serve when scheduled, then let Alice in the office know with whom you have switched. Making a correction on the schedule in the Clergy Sacristy is also helpful.

Thank you all for serving, Cari

Thank you for your continued willingness to serve as Eucharistic Ministers for the 7:00am Wednesday Holy Eucharist. If there is no one in the column of Martyrs/Saints, it is due to the lack of inclusion of anyone in Holy Women, Holy Men for that particular day.

We will keep Jim Porter in our prayers as he heals from his back injury and welcome him back to serve the end of June. If you need a sub, we can also ask Moe Naylor, if he is available.

Thank you for your continued presence at this early hour.

Faithfully,
Cari
