

At Fr. Robert's request, we will be having a meeting of all available lectors in the sanctuary after the January 13, 2019 10 am service, probably around 11:45. We will review microphone use (it's been fixed recently) and some other things.

I hope to see as many of you as are available. I wish you all the best and many blessings for 2019. Sue Brittain Gawley
