ENCOURAGEMENT FROM THE PASTOR

"not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching," (Hebrews 10:25).

This the call for the church--for us--to remain in fellowship. Welcome back as we start this new normal in our world today. We are challenged as the church to remain connected. I know we want to rest and find alternatives, such as movies or sleep. There is so much work to be done for the Kingdom of God.

It is easy not to want to be connected to church, especially during a pandemic and social chaos. We must push through to remain connected. We are coming together because of your faithfulness and obedience! Connecting with your church builds morale and encourages you in your faith. You will hear preaching that will inspire and challenge you.

We can sharpen each other in so many ways. We will adapt to the new normal as we finish 2020 strong in the name of Jesus.

Great seeing you all today!

Love, Pastor Booker
