Guest Speaker: Reg Cox
Friday & Saturday, May 5&6,
returning Sunday morning in time
to worship together as a
congregation.

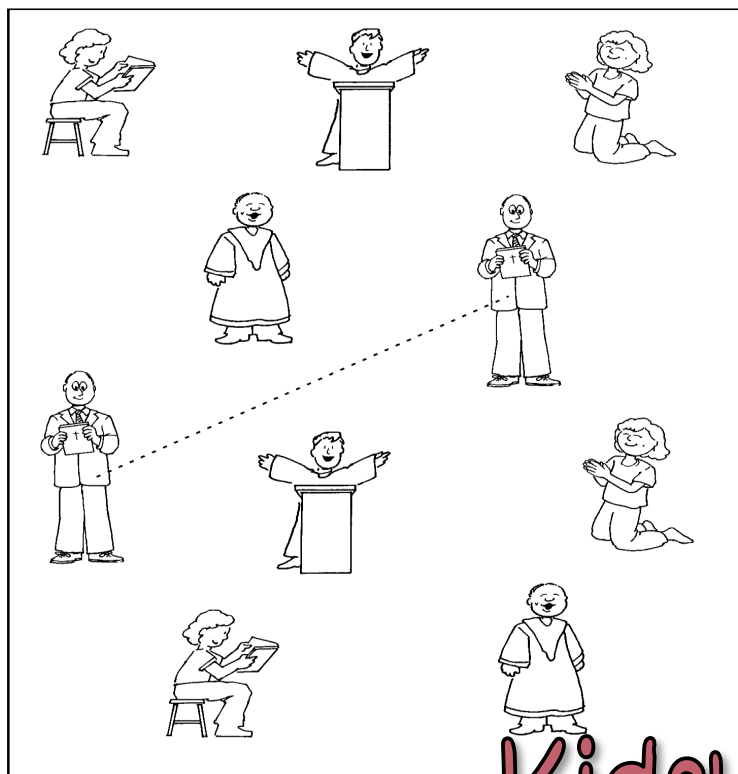

Reg Cox:

Jesus combines the command to love God with love for our neighbor and together calls them the "*greatest command*." He says all of scripture is linked to obeying this command.

Anyone can claim to love neighbors but during the long arc of life the truthfulness of that claim becomes obvious. Right now this "*greatest command*" is probably Christianity's greatest challenge. This weekend we will unpack this teaching by trying to define it then build out disciplines, habits and programs that make this lifestyle practical. Reg will also share stories about how other Denver area churches have applied the "*greatest command*" in their neighborhood and seen positive results.

God made Himself known to us in Jesus.
