It's Easter Sunday! The Cross and Resurrection form the centerpiece of our Christian faith. They remind us of two inseparable truths: We are so lost and flawed, so sinful, that for us to be restored to a right relationship with God, Jesus had to die for us, and at the same time, we are also so loved and valued that Jesus was glad to do it! This morning, you will hear the story of the Prodigal Son through music, video, drama, and preaching. It's our prayer God will remind you of the extravagance of His grace through the Cross and the power and provision of new life offered through the Resurrection! Get ready for God to move! We're glad you're here!
