Sanctity of Life Sunday
is observed annually on the third Sunday of January, a day dedicated to honoring life in all its stages. Established in 1984 by President Reagan, today brings awareness to the moral, political, and social issues surrounding the value of human life.

Please continue to pray for our Upward Sports Ministry! Practices are in full swing and our first game was yesterday. We have seven weeks of practices and games left! Pray for all the volunteers. May God equip them for His work! Pray also for open hearts and minds among the parents and players.
