

# ***Our New Look!***

**RESURRECTION**  
LUTHERAN CHURCH

## Resurrection's new logo communicates WHO WE ARE:

**The Peak:** represents the signature peak of our church's architecture and was the initial inspiration and foundation for the logo.

**The Cross:** represents the iconic Christian symbol, affirming Jesus' love for us.

**The Rays:** represent the Resurrection of Christ. Together with the Cross they communicate our faith.

**The Winding Path:** also a signature part of our landscape, represents our hope to create a welcoming, friendly environment for all.

***Look for it around church!***
