

August 12, 2020

Dear Valleybrook Family,

Today our Reopening Team gathered and evaluated Sunday's service, and we came to an interesting realization. While it was great to be together, the safety restrictions did not allow for much fellowship. Between splitting the church into two rooms, masks, social distancing, and exiting quickly, we wondered what we could do to ...

- lose the masks
- allow for more interaction
- promote safety
- not burn out our volunteers
- not limit our size
- welcome visitors without registering

Here was our conclusion: Put off meeting at the school and alternate between Outdoor Services and Zoom Gatherings.

Here are the benefits: Once seated we don't need to wear masks. We don't need to split the church in two. There is no limit to the number who can gather. Guests can join us without registering. Zoom and being outside are safer. Zoom and being outside allow for some fellowship. And alternating will give our volunteers much needed breathing room.

So here is our tentative fall schedule:

August 16 - Zoom
August 23 - Outdoor
August 30 - Outdoor
September 6 - Zoom
September 13 - Outdoor
September 20 - Zoom
September 27 - Outdoor
October 4 - Zoom
October 11 - Outdoor
October 18 - Zoom
October 25 - Outdoor

More details to come.

God Bless,
Pastor Brian
