

## COVID-19 In-Person Worship Procedures at Chapelstreet Church

### What you can expect from us

We are excited to regather for indoor worship services and are extremely grateful to Chapelstreet Church for allowing us to gather at their Mill Creek Campus. As their guests, we will follow the policies they have in place for in-person gatherings. Valleybrook will be operating within Chapelstreet guidelines and their policies:

- CDC recommended cleaning standards will be implemented, and all high-volume areas will be thoroughly sanitized between their services and ours.
- We will provide socially distant seating between parties (*at least 6 feet apart*).
- Hand-sanitizing stations are located throughout the facility.
- We will NOT offer refreshments (coffee, food, etc.) or access to water fountains.
- We encourage you to give online but there will be offering boxes at the sanctuary doors.
- Bulletins and Sermon Notes will be sent in the weekly *Valleybrook View* email.
- Staff and volunteers will wear masks while serving.
- We will record the service and post it to our website and our YouTube channel.

While there are inherent risks in gathering, together we can do so as safely as possible in a spirit of unity.

### What we are asking of you

#### REGISTRATION REQUIRED

You will need to register for our Sunday worship gathering so we can safely fill the seating capacity according to CDC guidelines. Registration opens up every Monday at 9:00 am via a [LINK](#) on our website.

#### KEEP YOUR FAMILY TOGETHER

Please meet up with your friends and family prior to entering the building. Groups need to enter the Worship Center together, so please make sure everyone has arrived before you enter. Ushers will seat you.

#### MAKE THE BEST CHOICES FOR OTHERS

We want to be a church that honors one another above ourselves, so we require wearing a mask when inside the facility. By participating in indoor worship at Chapelstreet Church, you acknowledge and agree to abide by their Indoor Worship Policy - [chapelstreet.church/wp-content/uploads/2020/09/In-Person-Worship-Policy.pdf](http://chapelstreet.church/wp-content/uploads/2020/09/In-Person-Worship-Policy.pdf)

#### STAY HOME IF YOU'RE NOT WELL OR ARE VULNERABLE

Please stay home if you aren't feeling well or have other health concerns. We'll all need to work together to keep each other safe. We will miss you, but please stay home and watch recorded services if you:

- Had a fever in the past 14 days.
- Show any symptoms of COVID-19.
- Have been around anyone who has tested positive for COVID-19.
- Are at increased risk for COVID-19 based on age or other medical conditions.
