& Release For Youth Activities**

Important Information

Valleybrook Community Church is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. Valleybrook Community Church strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors must recognize that there is an inherent risk of injury when choosing to participate in some youth activities.

The parents/guardians are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities sponsored by Valleybrook Community Church. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking youth activities.
