

Celebrating 10 Years!

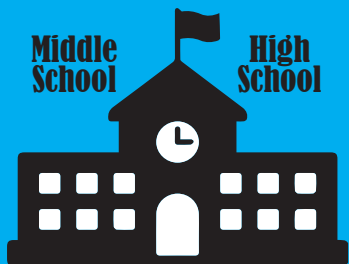

2007-2017

"Working Together to Reduce Underage Substance Use"

Since 2010

400+

local employees and festival volunteers participated in responsible beverage-service training.

Fulton County youth

(grades 6th-12th) demonstrated a

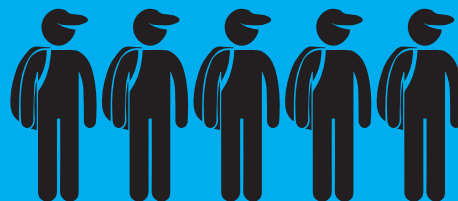

20% DECREASE

in alcohol use rates since 2005.

(ages 17 and up) demonstrated a

50% DECREASE

in alcohol use rates since 2005.

Fulton County youth

(grades 6th-12th) demonstrated a

13% DECREASE

in cigarette use rates since 2005.

(grades 6th-12th) demonstrated a

1% INCREASE

in marijuana use rates since 2005.

YAC membership

increased from

12

 youth in 2010

to a total of

48

 youth in 2016.

represents 6 of our local high schools!

HC3 Partnership

partnered with local law enforcement agencies to plan and implement an

anonymous tip line, to support a culture in which underage drinking and substance use is reported.

Since 2010, HC3 offered **14** large scale targeted parenting events

700

parents participated.

Visit www.HC3Partnership for more information on what we do!
