Senior High Camp Counselor Job description

In working with the Shiloh Park managers, our camp activities coordinator, and others, it would be helpful to make sure each adult who will be volunteering at Senior High Camp has a clear understanding of their responsibilities and expectations while at camp. This has been designed to help promote a more positive environment, while making camp the best possible experience first and foremost for the students and then for all volunteer adult helpers. Please help us promote a positive camp by reading and becoming familiar with the expectations of Senior High Camp.

To better protect those at camp, **camp visitations will only be between 2:30 pm - 6:30 pm. Due to expenses, food provided for the campers will not be available to any visitors.** Please have visitors plan to bring their own food to eat if they plan to stay that long.

Only visitors who have sent in, no later than June 5th, a background check that has no discrepancies will be permitted on Shiloh Park property during camp time. Other exceptions need to be approved beforehand by Camp Director.
Anyone without the above documentation on file will not be allowed on Shiloh Park property.
