

Day 4 Devotional

Bible Point: **God is our creator**

Bible Story: **God creates the world Genesis 1**

Bible Verse: **"Praise the Lord, everything He has created, everything in all His kingdom."**

Psalm 103:22

It's our last night of VBS, what a whirlwind and amazing week it's been! Thank you to Indiana weather for making our experience with Rainforest Falls authentic. Tonight we will be exploring the nature of God. That includes exploring the things God made in the rainforest because God is our creator! Wow God!

- 1. Last night was an amazing night. Probably one of the most important night of the week and why we do VBS. There were 28 kids who prayed the ABC prayer for the first time and gave their lives to Jesus! AMEN!! 11 kids made a recommitment to Jesus and 17 said they want to continue to follow Jesus with all of their heart! I'm not sure amazing quite adequately describes what happened last night.*
- 2. The kids have done a great job at raising funds for our missions project, but they may need a little help. If you are able, please consider participating in the project and giving whatever amount you can. It takes around \$20 to provided a child in need with a backpack and school supplies, so anything you are able to donate would be greatly appreciated.*
- 3. Tonight our station times will be shorter so we can be sure to start the chemistry show on time. We will have a different plan for dismissal so parents can get their kids before the show and find a place to sit in the sanctuary. When you are finished with your last station, please follow the below plan. This plan is designed to keep the center sections open for families to find good seats for the show.*

Prek/K crews - at 7:25pm, you will head into the sanctuary as normal but instead of going to your normal row, you will find your crew sign in the back left (opposite side of Survivor). Parents will come directly to you to get their child. You will need to check their card and match it to the child's name tag.

Elementary - at 7:25pm, you will head to the foyer. We will have your crew signs around the foyer and you will gather around your sign. Parents will come directly to you to get their child. You will need to check their card and match it to the child's name tag.

Survivor - at 7:25pm, you will head to the sanctuary and find your tribe signs to the back of your section. You will need to fit into one row for this short time. Parents will come directly to you to get their child. You will need to check their card and match it to the child's name tag.

****IF you have any kids left whose parents didn't come back for the show, you will need to sit with them. You can move forward to get a better view, but please keep your crew together. If you have a child in a different crew, we will bring your child to you so you don't need to leave your crew.****

After the show, we will do dismissal as normal for anyone who didn't come to the show.
