Do not Forget Your Medications

We have a camp Nurse and meds will be dispersed by her. If a child does not come to camp prepared with proper medication and information about his/her condition, we will have no choice but to release the child back into your care and they will not be permitted to participate in camp. Please send medications, inhalers, EpiPen's in a well- marked zip lock bag along with detailed instructions. If you have any questions about a child's medical condition and their ability to come to camp, please call Pastor Jodie Truex at Heritage to discuss your child's condition. 740-335-1079

Due to Covid19 We will closely monitor all children carefully. If a child exhibits symptoms or develops a fever, we will call the parent immediately and you will need to come get your child.

Camp Aldersgate is a Peanut Free Camp!
