

What to Know

Teens of Praise is that unique and special opportune time of the summer when our youth spend a few days completely dedicated to growing in their love for God while having an amazing amount of fun with old and new friends. The camp staff has been working super hard at putting together an exciting and worthwhile 5-day experience. In our current culture, there are lots of things that compete within our teens' schedules. Please encourage your church youth to attend TOP by talking with them about its importance and by helping them work it into the other demands of the summer.

All campers stay in the college campus dormitories with the roommates or their choice. If weather permits, everyone will participate in afternoon outdoor activities Wednesday through Saturday. On Thursday afternoon, we will be travelling off campus via buses and vans to Deer Creek State Park. On Friday, the campers will be participating in various work projects throughout the county and possibly Columbus.

Teens of Praise is on the campus of Ohio Christian University and runs concurrently with Mount of Praise. TOP is for any CCCU affiliated church. Interested in helping to serve as adult help? Contact the camp director for a camp staff application.
