

Finance

Purpose: To serve the mission of the congregation in proclaiming the gospel and making disciples by overseeing, managing, and accounting for the congregation's financial resources and their use.

Team Functions/Tasks:

- **Annual Ministry Budget:** To solicit from the Ministry Teams their requests for funds for their ministry area, and to compile a proposed budget for the Congregation Council to review and approve for recommendation to the Congregation for its' Annual Meeting.
- **Ministry Budget Accounting:** To track the receipt and expenditure of all ministry budget funds and report the status thereof to the Council on a monthly basis or as needed.
- **Restricted Funds Accounting:** To track the receipt and expenditure of all restricted and non-restricted funds, to track and make recommendations to the Council regarding investment funds and interest, and to report the status of those funds to Council on a monthly basis or as needed.
