

GO FAMILY PHILIPPINES SUPPORT LETTER

Dear Friends and Family, this July 5-15, 2026, we are embarking on our first family missions trip to the Philippines with Great Exchange Covenant Church! We'll be serving with Kids International Ministries and are open to wherever the Spirit leads us in serving orphans, teen moms and feedings for the hungry. Please continue reading for more details.

I have felt God calling me to get out of my comfort zone. Yet, I've always come up with an excuse, I need to work, or the kids are too young, etc, etc. But then the opportunity came where my excuses were no more, and now in joy our family is headed to the Philippines to embrace what God has in store for us.

Eric and I have had a desire for our family to go on this Philippines missions trip for awhile now and are excited (and nervous) to do this! As a family, it's important to see the world outside of the Bay Area bubble and expand our view of God's work. I'm looking forward to what God will teach our family through this!

My name is Eli and I am 14 years old. This year I am very excited to go on the Philippines mission trip as I would like to see different cultures, perspectives, make new connections with different people, and deepen my connection with God outside the US.

Hi I'm Ezekiel, I am 9 years old and this summer I'm going to the Philippines. I feel nervous and excited and it would really encourage me if you could pray for me and my family for a safe trip.

Prayer requests for our family are:

- Go kids' first time traveling internationally (aside from cruises to Mexico) and for them to get along!
- Being open to timezone adjustments, new culture, new food
- Safety and unity of the team we are traveling with
- Interactions with the local missionaries and people we encounter - that would be helpful and not a hindrance
- For our hearts to be in a place to listen to God and what He wants us to learn through all of this.
