

Montgomery's Summer Missions

Preparation of the hearts

We humbly ask that you can help us prepare our hearts by praying for us before and during the trip:

- pray for safety and health as we travel (July 5-15, 2026)
- pray for humility as we seek to learn more about God and ourselves
- pray for a heart of gratitude for God's provision and generosity
- pray for courage as we try new things and meet new people.

GrX » the Philippines

Since our first family mission trip in 2018, the Montgomery's have been visiting the Philippines and serving with [KidsIM](#) (Kids International Ministries) for many years. This year is extra special because all five of us are going in July!

We will join a team from [GrX](#) (Great Exchange Covenant Church) and we hope to experience God's love before, during, and after the trip. We also hope that we deepen our relationship with God, within the family, with the team, and with our friends in the Philippines..

Financial support

Another way you can support us is through financial support. The trip will cost approximately \$2,500 per person that covers our transportation, lodging, food, and the supplies we will provide to local communities.

Any amount of donation will be greatly appreciated. Scan the QR code and select Philippines ST Missions Fund. Your contribution is tax deductible and goes to a team pool fund. Thank you!
