

**Keynote Speaker:
Pastor John Welborn**

John Welborn is the Senior Pastor at Salem Church on Staten Island. He and his wife Ashley, along with their kids, Gracie, Eli & Charlie, came to New York three years ago. Together, with Salem Church, God has called them to impact the city and change the world by making disciples and multiplying churches. Salem's first multi-site location is in the works for 2019.

Pastor John has a Bachelor of Science from Liberty University and a Master of Arts from Southeastern Baptist Theological Seminary. Prior to being called to Salem, he was Lead Pastor of Crosslink Community Church (Harrisonburg, VA) for seven years and served as an evangelist for seven years before that. He also serves on the board for CEF of New York City. Pastor John loves to play golf and watch the Georgia Bulldogs play football.

Workshop Tracks

This year we are pleased to present five different workshop tracks to choose from. Follow a track all day, or mix and match.

Classroom Skills

We all know working with kids can be tough, but worth it. Join this track for ideas and skills to make the most of your time with the groups you teach.

Discipleship

Many of the kids you lead have given their lives to Christ. Praise the Lord!
Now what's next? Join us in this track to focus on equipping and encouraging young Christ followers.

Leadership

Everyone wins when leaders get better. These workshops are geared toward developing you as a leader in the ministry in which God has placed you.

Spanish

*Español es el idioma principal que se habla en el 25% de los hogares de Nueva York. Con esto en mente, **este año estaremos ofreciendo tres talleres en Español, hacienda énfasis en destrezas para el salon de clases.***

Spanish is the main language spoken at home for about 25% of New Yorkers. With that in mind we are excited to offer **three workshops in Spanish this year**, focusing on classroom skills.

Youth Ministry

What if the kids around you missed the 4-14 age window where many come to faith in Jesus? God is not done, so we aren't either. This track bridges the gap from kids to youth ministry.
