**"Time is the most valuable thing a man can spend." Theophrastus**

Greetings from Poland to our amazing TEAM POLAND supporters! Since our arrival in 2017, we have prayed for wisdom in using our time and the resources God has provided for us. God faithfully continues to guide our steps. All of these ministry reports are a result of your faithful giving. It has been a whirlwind end of 2019 and beginning of 2020! Here are just a few of the events that happened.

## AUGUST 2019

### 700 Miast Church Plant!

It was such a blessing to be able to fund and participate in a week of children's outreach where 100 children, parents and grandparents participated in the Kidz Klub ministry as a pre launch event for the church plant in Praszka. Pastor Adam and Kamila were able to *connect* with many new families in their city. That Sunday night we celebrated as 45 people attended the first night's service on September 1st!

## SEPTEMBER 2019

### The Bay Ladies Team!

Pastor Linda Reynolds and The Bay Church Ladies Team from Concord, California hosted the first women's conference at a 5 year old church plant, KDW (Church For Warsaw) with Pastors Michał & Gosia Siczek. They came prepared and ready to pour out the love of Jesus to women in Warsaw through Community Outreach, Back to School Family Sunday and an amazing Women's Conference where many women were *deeply touched* and ministered to.

## OCTOBER 2019

### 700 Miast Special Guest Speakers!

It was such a great honor to have Superintendent Bret Allen and his son, Pastor Ryan Allen, with us in Poland. They were the main presenters at 700 Miast (700 Cities) church planters training in Olesno, Poland. We were so proud of the way our NCN District was represented by Pastor Bret and his son. Many pastors in Poland are still commenting on what they learned about Pastoral Leadership during this training. We are thankful for such a strong district with great leaders who partner with us in Poland for the sake of *healthy leadership* in church plants.

## NOVEMBER 2019

### New Training Hub!

Exciting news! A 2nd Hub for 700 Miast (700 Cities) church planters training started in Giżycko, Poland. It was a *great beginning* with 21 churches represented in attendance. Getting closer to the vision of having 6 training hubs in Poland!

### RedBox Evangelism training!

Our friends Kevin and Karen Prevost from Madrid, Spain came and blessed the next generation at Warsaw Theological Seminary and Christ For the Nations ministry school with *effective* evangelism training.

## MARCH 2020

### Energia Conference!

It was a joy to partner with Steve & Tece Entsminger, Directors of Europe's Children, in hosting a Kids Ministry Training at the Theological Seminary in Warsaw Poland. There were 20 countries from Europe represented in attendance. We were so happy that children's leaders from Polish church plants were able to join the training and walked away equipped and encouraged with new *ministry tools*.

## APRIL 2020

### Plans Interrupted!

Due to COVID19 outbreak our itineration plans are changing. We will remain in Poland until we can successfully pack up our apartment, say our goodbyes and arrange flight tickets back to California in June. Meanwhile we are *rallying in prayer* for our AGWM Executive Director, Greg Mundis, as well as many of our colleagues. We are believing for complete healing from complications of COVID19.

Pray!
