

Berea Snow Camp 2018
February 16 – 18

Good afternoon youth group campers!

Here are the details for Snow Camp.

- We will meet at the church at 5:30 pm on Friday, February 16. There will be two areas in Palmer Hall for you to drop your luggage. One section is for boys and the other is for girls. Drop off your luggage and then proceed to check in with Wendy Heath.
- Next, along with your parents, take a seat in the Sanctuary. We would be going over last minute details, answering any questions from parents, and praying as a group.
- Next we will tell you what vehicle you will be riding in. The vehicle you ride TO Berea in is the same vehicle you will ride HOME from Berea in.
- Next the boys will grab their luggage and load it into Mr. Davis' trailer. Once all the boys' luggage is loaded, then the girls' luggage will be loaded.
- Once your luggage has been loaded, please go to the vehicle you have been assigned to for the ride.
- We will depart together and head to Wendy's Restaurant in Tilton. Please be sure to bring cash for your meal.
- We will depart together and head to Bistol House of Pizza. We will be picking up pizzas to have in our cabins Friday night. We all seem to get the munchies Friday night! When we arrive there, everyone will stay in their vehicles except one/two Leaders will run in and pick up our order. Then we are on our way!
- Once we arrive at Berea, everyone will stay in their cars until we are given directions by Berea Staff. Wendy Heath will be checking us in and return to the cars with our room assignments and the schedule for the weekend, which will be given to each leader.
- Once you are given your room assignment by the leaders, the GIRLS will get their luggage first and head to their cabins with their leaders. Once all their belongings are out of the trailer, the BOYS will get their luggage and head to their cabins with their leaders.
- You will now have time to settle in and what we do after that will depend on the Berea schedule so that is TBD.

Packing List - What to Bring!

- Cash for dinner Friday night - We will be stopping at Wendy's in Tilton
- Warm Clothes (winter boots, gloves, coat, hat, snow pants)
- Bedding, Sleeping Bag, Pillow
- Bible, Notebook, Pen
- Gym Clothes (shorts, t-shirts, sneakers)
- Spending money for Snack Shop, Bookstore, or vending machines
- Towels and Toiletries

Note:

- No Cell phones. We want our time away to be free of distractions. We will provide all the parents with each leader's cell phone number.
- When moving around the Berea Campus, our group will be using the buddy system. You must always be in groups of three or more.
- There is a mid-night curfew this year when all students and leaders will be back in their cabins.
- The music is VERY loud during our worship time. This can be overwhelming for some people. This year I purchased 50 sets of EAR PLUGS! 😊 These are also for those light sleepers who need quiet.

I think that is all for now. If you have any questions, please shoot me an email wendy.fcbc@gmail.com.
