5. Other sources for curriculum are Christianbook.com, timberdoodle.com, eBay

6. Rainbow Resources – rainbowresource.com

7. Central Baptist Church library

8. NACHO – Find NACHO on Facebook. North Alabama Christian Homeschool Organization is a homeschool support group in North Alabama. We offer homeschooling families in our area the opportunity to fellowship with one another through monthly outings and field trips, and also offer contests, field day, resources and more! FB membership is limited to those who have paid for our annual membership of \$10. Contact the admin (Heather Woods) for more info to join.

9. Early Works Education Labs - earlyworks.com

10. First Baptist Fine Arts Ministry - www.schoolofflinearts.com (music, art, dance, drama)

Curriculum checkout available at First Baptist Church- In the Equipping Center building (house beside the playground) on the 2nd floor in the hall items are available to checkout for use for your family. (There are some chapter books, games, etc. as well as curriculum) On the top shelf is a file sorter. In the very front, there is a blue folder with a clear cover on the front that says Homeschool Checkout Folder. Everyone should sign-out their materials in this booklet. The materials are sorted by subject. Also, if anyone has items to donate, they can leave them on the shelf so they can be properly inventoried. The Equipping Center is open Monday- Friday from 8am to 4pm.

You may also checkout items from our church library that is on the 1st and 2nd floors.

In order to check out library items you will need to get a library card and checkout with the library for those things and return them there. You will need to do this during the library hours.
