

OUR REDEEMER'S CHRISTIAN SCHOOL

Student Referral Program

The Student Referral Program allows current school families to earn tuition credits by sharing their ORCS experience with new families who enroll.

HOW THE REFERRAL PROGRAM WORKS

- ✓ Share your ORCS school experience with friends and family.
- ✓ Receive tuition credit if they enroll and name you as the referring family.
- ✓ Complete and submit a referral form to the school office.
- ✓ The tuition credit you earn is applied to your tuition account.

REFERRAL PROGRAM GUIDELINES

- The Student Referral Program is open to all current ORCS families.
- The referring family must currently be enrolled **and** the prospective family must be new to ORCS. Referrals cannot be made retroactively.
- The referring family must submit a completed Student Referral Program Form to the school office indicating the name of the prospective student(s) they referred. Program Form is available on orcsknights.org or in the school office.
- Tuition credits will be prorated for late enrollment, withdrawals, or if a family leaves ORCS for any reason during the school year.
- Tuition credits are applied in October and distributed evenly throughout the school year. No tuition credits will be applied before the school year begins.
- Upon approval, the referring family receives a one-time \$500 tuition credit for each new student who enrolls in K-12.
- There is no limit to the number of students a current family may refer.
- Tuition credits can be applied to your tuition account, transferred to another school family, given to the family you referred, or split between families.

Contact the school office with any questions.
