Parents: Send all supplies on the first day of school.

Please open all packages of erasers, scissors, crayons, etc., and put the small items in the pencil box. Many children have difficulty opening these packages and it takes time for the teacher to open them. This a real help!! All pencils will be collected on the first day of school and handed out as needed. Please sharpen at least two for the first day. Thank you so much.

Looking forward to a great year!

*Don't forget to label glue, scissors, crayon boxes, and pencil boxes with your child's name! You do not need to label each pencil.
