

Friday Enrichment Students

Greetings! This is just some additional information for those students and families who have chosen to add the third day option to their preschool schedule.

The class will be Friday mornings 8:35-11:05 and consist of students who are already enrolled in one of the three other preschool sections. It will include students from both morning and afternoon sessions who will be attending kindergarten the following year and is limited to 24 students. Your child's teachers will be Mrs. B(Bratvold) and Mrs. K(Knutson). The enrichment class will run much the same as your child's other two preschool days but with a few differences. Snacks will be provided for your child by the school so you will **NOT** have to be concerned with a snack calendar on Fridays. The schedules for Friday will not be sent home as hard copies but will be found '**online only**' after the month of September. You will not need to attend a separate Open House but will still attend the preschool Open House referenced in the other letter included in this mailing. The only difference you can expect at your child's Open House is that your child's cubby for the year will have been preassigned in order to ensure that each student attending preschool on Fridays has his or her own cubby space and that there is no accidental overlapping.

If you have any more questions or concerns, please feel free to contact me at sknutson@orcsknights.org. Hope you are having a wonderful summer!

Blessings!

Mrs. K (Knutson)
