

ORCS REGISTRATION FOR HOMESCHOOL PARTICIPATION

Our Redeemer's Christian School desires to allow homeschool students an opportunity for competitive extracurricular competition in a Christ-centered environment. Homeschool students are approved for participation on an individual basis and subject to all philosophy and policy governing our extracurricular programs.

Homeschool students participating in extracurricular or academic programs through their local public school district are not eligible to participate at Our Redeemer's (NDCC 15.1-23-16, NDCC 15.1-04.1-01). Homeschool students transferring to Our Redeemer's from another district or school may be subject to NDHSAA's transfer rule for eligibility (NDHSAA Article XIV, Section X).

Please complete the attached form and provide the school office with the following documents to complete the registration process:

- Registration form
- Completed statement of Christian Faith
- Signed Letter of Intent to Homeschool
- Letter of Approval to Home Educate
- Completed Physical Form
- Payment for the appropriate amount

Administrator approval will only be made upon submission of the completed required documentation. In the event that the student is not approved for participation, the athletic fee will be returned. Athletic fees are non-refundable after the first competition.

Thank you for choosing to partner with Our Redeemers' Christian School in an effort to provide competitive extracurricular activities for students.

Sincerely,

Charles Strand, Administrator
Our Redeemer's Christian School

STATEMENT OF CHRISTIAN FAITH

Student Name _____

Grade _____

Please write about your relationship with Jesus Christ:

I will observe Biblical morality in all relationships.

I will preserve personal purity. I recognize that my body is a Temple of the Holy Spirit and therefore, I will honor His temple. I will refrain from the possession, use, sale and/or distribution of any alcoholic beverages, tobacco products, or drug-like paraphernalia.

I will approach the school and its program with a positive Christian attitude in action, word and appearance. As I submit to authority in my life, I learn to yield to Jesus. I realize that I am expected to act in a way that pleases the Lord. I realize that I will not agree with every policy, but I will respect and respond properly to authority even when I don't agree with it.

I will voluntarily observe the principles and guidelines of Our Redeemer's Christian School and I will seek to live my life to honor the Lord Jesus Christ.

<p>I hereby certify that I have read this Student Covenant. I understand and will be accountable for everything in the Our Redeemer's student and athletic handbooks, which includes the Mission Statement, the Statement of Purpose and the Declaration of Faith. I understand and will abide by these policies. If I fail to live up to these standards I will accept the consequences put forth by the school.</p>
