

Preschool Newsletter

March 2026

Dear Parents,

Thank you again for all the great snacks. We appreciate them so much! Thank you also for the many nice Valentine gifts! You are so wonderful to us. And we noticed how hard many of the students worked on writing their names on their Valentine's. Great job!

This month we will continue to learn the letters of the alphabet. The kids are doing great! Any additional help at home is so valuable! Even pointing out letters on signs and storefronts in the car can help students with their language arts development. Also, it is so fun to watch many of them become interested in writing rather than scribbling. For those of you with younger preschoolers, hang in there; writing skills take a little longer to develop. We will also be doing a weather-related science unit this month since March tends to supply us with every weather type possible! 😊

Coming up on **Friday March 6th** at 5:30 is the ORCS Family Fun Night! Tickets for games and food can be purchased at the door. It is a fun event for the whole family so please plan to stay with your children if you come; all children must be accompanied by an adult. (Plus you won't want to miss it!)

Prairie Grit Adaptive Sports will be coming to our preschool during the month of March to do developmental screenings for our preschoolers for those who choose to participate. They provide such valuable knowledge and insight! Keep an eye out for more information and forms coming home soon.

There will be **no school March 18th-20th** due to Spring Break.

Just a reminder, if anyone is interested in enrolling their child in kindergarten at Our Redeemer's Christian School, please check out our school's online enrollment on our website orcsknights.org! We have both half-day and full-day options available. We also still have room in our preschool for next year if you are wanting to re-enroll your current preschooler or enroll a younger child!

Looking ahead to **April**, please be aware that we will be having parent/teacher conferences April 20th-23rd. Please note that conferences will take place during our regular school hours and that there will be **NO preschool** classes on those days. We **will** have school Friday, April 24th of that week. Please note: Monday/Wednesday morning students will need to be scheduled during the mornings of the 20th and 22nd. Tuesday/Thursday morning students will need to be scheduled during the mornings of the 21st and 23rd. Tuesday/Thursday afternoon students will need to be scheduled during the afternoons of the 21st and 23rd. Conferences are a time for us to share with you how well your child is doing not only academically but socially and emotionally in the classroom as well. We have found that all these aspects affect the success of a child in kindergarten. If your child is old enough to attend kindergarten in the fall, we will share with you our professional opinion regarding your child's kindergarten readiness. The assessment will include both strengths and areas of possible weakness regarding academics, large and fine motor skills, expression, social and emotional development and work habits. The conferences will last about 15 minutes each. You will receive an email with a sign-up form attached at the beginning of April.

Thank you!

Mrs. B (Bratvold)
