

Preschool is more than just playtime!

Here is a sample of our day and a list of the units that we study. Each day your child will practice skills such as counting, writing, drawing, cutting, singing, obeying, listening, and many more!

NOTE: Afternoon time frames are allotted accordingly.

8:35 – 9:20	Arts & Crafts / Free Play
9:20 – 9:40	ABC Corner: calendar skills, counting, ABCs, story time, and discussion of the units for the day
9:40 – 10:00	Bible lesson and singing
10:00 – 10:15	Snack time!
10:15 – 10:40	ABC Corner: primary academic unit—colors, shapes, numbers, and letters. Lessons include picture books, song and dance, puppets, and writing practice.
10:40 – 11:05	Special Science unit: educational and picture books, group activity and/or a song and related worksheet that reinforces and assesses student learning
11:05 – 11:15	Parent pick-up

The units that we cover throughout the year are as follows:

BOTH YEARS

Alphabet
Numbers
