

INSURMOUNTABLE

DISCUSSION GUIDE

PART 1: Discover DATE: 04-8-2018

START

- What is more important to you: quality or quantity? Would you rather have ten average tasting bananas or 1 banana that tasted better than any other banana you've had before?

READ

- He replied, "Because you have so little faith. Truly I tell you, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you." [Matthew 17:20](#)

THINK

- What was the most recent thing you have faced that seemed "insurmountable"? What is something that seemed too difficult to navigate, too daunting to think about, and too overwhelming to face? What happened?
- What does the word "faith" mean to you? What is challenging for you as you think about "faith"?
- Read Matthew 17:20. Jesus tells us that even the smallest amount of faith can do the most incredible things. What are some great things you have seen done through "faith"?
- This week, Chris makes the point that it's not the *quantity* of our faith, but the *quality* of faith that really matters. Who do you ultimately put your faith in? What do your actions and the way you live say about who you ultimately put your faith in?

PRAY

- Ask God to allow you to see things through His eyes. Ask Him to help you see who you really put your faith in. Ask Him to help you put your faith in the right place: in Him.

ACT

- As you go about your week, consider what your life says about who you put your faith in. Remember, we all still have to face obstacles, which may seem insurmountable; and when we do, we still need to climb them.
- Our relationship with God grows stronger when we spend time with Him. To help us develop this habit, there is an **Insurmountable Journal** that tracks with the content of each week's message and gives you a chance to personally engage with God. You can pick up the Insurmountable Journal at any TCC campus or you can order one [online](#). Get an Insurmountable Journal this week and start using it.
