

The Kids' Place School Age Newsletter

Mission Statement: "Bringing families together through Christ-centered learning."

November 2020

"In everything give thanks." 1 Thessalonians 5:18

From the Director:

Thank you to the families who supported "Square One Art"! It is always exciting to celebrate your child's creativity through art. November is a time to reflect on all we have to be thankful for and the many blessings God has bestowed upon us. Deuteronomy 8:10 says; "When you have eaten and are satisfied, praise the LORD your God for the good land he has given you". May you enjoy a blessed Thanksgiving holiday with your families.

God Bless,
Michelle Knight

TKP Parent Information

First Responders Give Back

This year The Kids' Place feels a calling to give back to the first responders in our community. During the month of November, we will be collecting \$5-\$10 gift cards to be distributed to our local first responders. Please drop your donation off with your child's teacher or the office. We appreciate your support.

Holiday Care & Field Trips

Please be sure to sign up your child for holiday care days. We staff and bill according to the sign up. You will find this sign up on the sign in and out table in our entrance hall way. All children are required to wear a blue TKP shirt to attend the field trip. This helps us to keep them safe. You may purchase shirts in the program office for \$10.00.

Change in Pick-Up

Please remember to call TKP if your child is checked out of school or absent from school. This is extremely important as our bus drivers cannot leave the school without your child. If you do not call there will be a \$10.00 "NO CALL" charge added to your account. If you call and we are out of the office; please leave us a message before 2:00 PM. We check messages regularly. This is for your child's safety, and safety is our # 1 priority.

Water Bottles

We are asking each child to bring a refillable water bottle each day. Thank you for helping provide this for your child, we appreciate your help. We want to avoid wasting so many disposable plastic cups each day.
