End of Year Program

From the Director:

It is hard to believe that we only have four months of the school year left. The next few months go extremely fast since we have so many special activities planned so please watch the teachers boards and the calendars. Several classes have completed the STEM training with Orlando Science Center. We are excited to incorporate many new science and math activities into our curriculum. It was a privilege to take part in this program. Mark your calendar for our annual Family Fun Night which will be on March 22nd! I would like to remind everyone that we have an open door policy and you are welcome to visit your child's classroom at any time. Please feel free to contact me with any questions, concerns, or praises! You can reach me by calling 267-7308 x3 or email me at psparks@ircumc.com. Thank you so much for all your thoughts and prayers while I was recovering.

God Bless,

Pam Sparks
