

# CHILDREN'S MINISTRIES

July 7, 2021

Volunteers of all abilities are invited to join us for donuts, coffee and light set-up of our Summer Blast Experience! Delivery of items to classrooms, simple decorations, tidying for our campers and their families! We will meet in the Sanctuary at 9:30 on 7/17. Even an hour of help is greatly appreciated! Please contact Linda at 321-213-1013 for additional details.

All Camp Counselors of every age are required to attend our 2021 Summer Blast Camp Counselor Training! Please come meet your teammates and find out all about the exciting changes of our 2021 Summer Blast Experience. At this time, all Camp Counselor Applications and Background Checks should have been received. Please contact Linda at 321-213-1013 with any questions you may have.

We love to care for the incredible teenage volunteers of our awesome community that are working so hard caring for our Summer Blast Campers! Please consider donating breakfast goodies, brewing coffee and/or serving each morning during our Camp Counselor Breakfast! 7/19-7/23, 7:30-8:05 in front of the Sanctuary! The place to visit with old friends and meet with some new ones! One morning, two or more – we are grateful for your assistance! Please contact Linda at 321-213-1013 to get plugged in!

If you are friendly and believe in our awesome teenage Camp Counselors, we have the perfect spot for you! We would love your help in serving a special Teacher Appreciation Lunch from our beautiful Wesley Hall kitchen windows on Thursday, July 22, 2021 – yes, Teacher Appreciation Day! Our lunchtime is 11:45-12:15pm. We could use your help with light set up, preparation and providing delicious ChickFila sandwiches to our amazing Camp Counselors! We would love for our volunteers to meet us at 11:00 in the Wesley Hall kitchen so we have enough time to prepare. Since we are not cooking, clean up is a breeze! Unable to help? We would love to welcome your donations of Coke, Mountain Dew, Dr. Pepper, Sprite and Orange Soda! Giant bags of assorted chips are welcome too! Even better? Individually-wrapped homemade cookies! We have 220 fabulous volunteers to show just how appreciated they are! Please contact Linda with your availability today at 321-213-1013!

Please support our Hygiene Products Drive for the Brevard Schools Foundation! Your donations of supplies or monetary donations can make a difference for wonderful children. Please contact Linda at 321-213-1013 with questions! Kids Helping Kids! People Helping Kids!

Please mark your calendars for these wonderful Summer evenings filled to the brim with excitement! RSVP to Linda at 321-213-1013 today!
