

# The Kids' Place Toddle Inn

*Mission Statement: "Bringing families together through Christ-centered learning"*

September 2018

*Greater love has no one than this, than to lay down one's life for his friends.*

*John: 15:13*

## From the Director:

Welcome to a new school year. The children are adjusting well in their new classes. Teachers are excited to start delving into the curriculum during circle time and throughout the day. We use Creative Curriculum for Infants, Toddlers, and Twos which includes activities that intentionally support language, literacy, math, science, social studies, and physical skills during daily routines and activities. We also incorporate different areas of study into every month. These studies include: colors, shapes, numbers, bible stories, and letters. Every teacher has her lesson plans posted inside the classroom, please feel free to look at them to see what exciting activities your child will be participating in each week.

God Bless,

Cindy Richardson

## Important Parent Information

**Severe Weather Closing-** If there is a severe weather threat we will follow the Brevard County School Board for Closing of The Kids' Place. If Brevard County Schools and/or Eastern Florida State College are closed, then The Toddle Inn and TKP will be closed as well. When Brevard County Schools reopen we will also reopen.

**Stay tuned to your local news for updates**

**Daily Sheets-** Your child's teacher will put a sheet in your child's folder daily. This note includes important information about your child's day and any supplies (diapers, wipes, rash cream, etc.) that may be needed for the next day. It is your responsibility to provide these items for your child. If not provided we will supply them and a fee of \$3.00 per diaper will be charged to your account.

**Lunch & Snacks-** Please provide a morning and an afternoon snack along with a nutritious lunch for your child. Please limit drinks to juice, milk or water (**no sodas**). All lunches should be packed in a labeled lunch box or paper sack. We do not refrigerate or heat up lunches. No glass containers are permitted. Please avoid the following foods due to choking hazards: grapes (unless cut in half), nuts, popcorn, hot dogs (unless cut long ways and sliced in small bite sized pieces), hard carrots, or any other food that may be a choking hazard. Label ALL of your child's cups, containers, and personal items.

**Vacation Policy** – Children currently enrolled full time at the Toddle Inn are allotted one week of vacation per school year. If you are planning a vacation, please fill out a student vacation request form and return it to the office prior to your vacation. The forms are located in the foyer and the Toddle Inn office.

**Pumpkin Patch** - We will need lots of volunteers to help unload pumpkins and to take shifts selling pumpkins. This is a fun family activity.

### TKP Closed
