United Women in Faith

On Friday, October 24, the United Women in Faith had the privilege of hosting *Fun Food Friday* for the Boys & Girls Club of the Hatchie River Region. The ladies met in the CLC early that afternoon to prepare home made spaghetti, green beans, crackers and cookies for approximately 130 children. At the appointed time the meals was packed up, transported and served, with love, to some happy and hungry Club members. United Women in Faith continue to serve in ministry and mission, in our community and throughout the world.

United Women in Faith

Reinita House and Hope Turner, representing CASA of Tipton County, were special guests during the November meeting of United Women in Faith. Both ladies are specially trained volunteers with CASA, with hearts for service and a love for children. During their presentation they shared with the group the role they play in providing the court with much needed information concerning the well being of children under the courts supervision.

“The Mission of CASA of Tipton County is to provide qualified and trained volunteer representation for each abused or neglected child in the Juvenile Court system of Tipton County while striving for a safe, nurturing and permanent home for that child as quickly as possible.”

Following the CASA presentation the UWF ladies began work on creating blankets for the CASA kids. When a child becomes a CASA kid they are presented with a duffle bag filled with items specifically for that child. Some of the items are necessities, such as toiletries and hygiene products while some things are meant to provide some level of comfort, a night light, a stuffed animal, and a soft, warm blanket. For the past several years the United Women in Faith have included creating CASA blankets as one of their many service projects.

The United Women in Faith will meet again at noon, January 12, in Fellowship Hall. Please feel free to join us for a light lunch, a devotion, and a project or program. Feel free to contact Martha McDaniel or Kathy Wallace for more information.

Youth Retreat

In the beginning of November, several of our middle and high school students attended a 3 day fall retreat at Lakeshore Camp and Retreat center. During this weekend, they had opportunities to engage in camp activities like games, crafts, and songs. They enjoyed fellowship with each other and participated in faith formation through worship and workshops. Many of the youth in our church attend Lakeshore for summer camp, and it was an amazing time for them to spend a weekend at their happy place. The theme for the weekend was everyday holiness. We talked about which parts of our lives are holy or sacred, and which parts have become routine. We explored how we can bring God into the monotonous or routine parts of our lives, and how we can start to see the holiness all around us in the world and in our lives. The youth already can't wait to go back to Lakeshore again, and we are excited for the next retreat coming this spring.
