

The Value of Community

While the recent ice storm wasn't my first ice storm (it was my third), it did remind of (1) the value of patience, but more importantly (2) the value of community. I can say as a relatively new member of the Covington community that we are blessed with a wonderful community.

People were checking in with each other, making sure that they were warm, had food, and other essentials. My phone stayed busy with calls and text messages, not only for things church-related, but from people checking on me to be sure I was ok. We human beings need each other, and we are better with each other.

The Bible is full of admonitions and advice about being in community with each other: we are to bear each other's burdens, to break bread together, that two are better than one, that we love each other earnestly. The Book of Hebrews has some very sage advice:

Let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.

– Hebrews 10: 24-24

What we learn in our living life together is that even our differences from each other are our gifts TO each other. What wonderful gift we have been given!

in Faith

A big THANK YOU to the Tipton Christen Academy High School students for their recent donation to the Bread of Life Food Pantry. Their continued support helps us keep this much needed outreach ministry going.

If you would like to be a part of this ministry contact Liz Newman at LNewman@Coivngtonfumc.com or call the church office, 901-476-9694.

Will meet Tuesday, March 3rd at noon in Fellowship Hall. A light lunch will be served prior to an informational presentation on the ARISE2Read literacy program. All women are encouraged to attend.

The children have been busy rehearsing songs for Ash Wednesday, Palm Sunday, and Easter services.

We look forward to this special season of worship!

Teaming Up For a Cause

Children and Youth joined forces for some food, fellowship and team work! After enjoying some pizza, a little choir practice, and ice cream with all the trimmings, Wednesday evening children and youth participants paired up to assemble *Bags of Hope*, and *Snack Packs*. It was an evening of pure chaos, I mean fun! It was loud, it was hectic, it was productive, **IT WAS GREAT!!**

Thank you to all the parents that hung around to help, thank you to Carole Mathis for leading the Children's Choir, thank you to the youth for their patience and help with the little ones, and thank you to Justin Gangaware for providing, through his workplace, all the components for the making of the bags.
