OUR CHURCH FAMILY

Garth Bonselaar was hospitalized most of last week due to a brief seizure that occurred just after a doctor visit across the street from the hospital. After some tests, they put him on anti-seizure medication and he was doing better towards the end of the week. He was hoping to be released on Friday. Pray for Garth, for health and strength for him and pray for Myra too as she cares for him during this time.

Chuck Breuker is scheduled to have surgery this week Wednesday, May 1, to repair a torn rotator cuff, which was injured in a fall at work several months ago. Pray that this surgery may bring relief from the pain he is experiencing and that recovery will go well for him.

Pray for Jun Langejans following surgery on his carotid artery. The outlook is good. He returned home on Thursday.

Al Engelsman was hospitalized earlier last week due to some new bleeding. In the process, they were able to remove a second tumor and have verified that the bleeding has stopped. So, although a bad situation over all, this is relatively good news. Keep Al in prayer.

Seth Viel is doing great. Thanks for your prayers. Pray for continued healing for his dad, Dr. Matt Viel. Also pray for Jen Viel's father who had a stroke in the midst of all this and is being cared for at Mary Free Bed Rehab.

Remember Leon Scholten as he recovers from broken bones in his neck. Pray too for Chad Kruizenga, Ravina's son, during his treatments for a brain tumor.

Bob and I would like to thank everyone for their cards and prayers. I am doing wonderful following my surgery. We would also like to thank the ones who brought in the meals. They were delicious and were very much appreciated. -Bob & Corinne Meiste
