### **OUR CHURCH FAMILY**

We've been praying for Dr. Matt Viel and Chuck Breuker recently. They both are recovering from recent surgeries. We ask that the Lord will grant healing and take away any pain they may be experiencing.

Cal Sterenberg is scheduled for hernia surgery in Holland Hospital next week Tuesday, May 14. We pray for Cal & Marilyn and for the doctors and nurses who will care for him.

We think of those in our congregation and those who are close to our congregation who are dealing with cancer. The Klaasen family asks for prayers for Diane Philips - her leukemia has returned and appears to be pretty aggressive. Diane is the daughter to Dave & Dorothy and sister to Doug & Karie. We are also praying for Linda Weemhof. Linda has been dealing with cancer for some time now and just learned of a new spot on her liver. She is currently being treated for a spot on her lung with chemo which seems to be effective. They will move forward with radiation in the near future for the spot on her liver. Linda is the daughter of Marian Scholten, sister to Don & Ruth Scholten and Marcia & Tom Veltman and also an aunt to Renae & Pastor Phil Kok.

Ravina Kruizenga's son Chad is finishing up with treatments for his brain tumor. His last treatment was this past Friday. Ravina reports that treatments went well for Chad and he is feeling pretty well for the most part. Ravina has been staying with him in Arkansas for the last several weeks and she is planning to return home on May 14. We pray for safe travels for Ravina.

Al Engelsman, Annabelle Lubbers' son in law is in rehab at Blodgett. He is working on walking and gaining his mobility back. Plans for radiation for his brain tumor are also in the near future. Continue to keep Al in your prayers through recovery and treatments.
