

Welcome to Graafschap Church • May 19, 2019

Welcome to worship! Today some of our youth will help lead the morning worship service. As we join across the generations in worship, we are the body of Christ; different in some respects but one in our faith and hope and love.

OUR CHURCH FAMILY

Cal Sterenberg is recovering at home after a successful surgery last week for a hernia. We praise the Lord for this good news.

John Vander Veen is scheduled for outpatient surgery this coming Tuesday to have a defibrillator device implanted in his chest. Our prayer is that this procedure will bring the proper healing he has been waiting for.

We think of those who have recently lost loved ones.

Remember in prayer all those who are dealing with cancer – those in our congregation and those who are close to our congregation.
